Management

The University Computer Center (HRZ) at Jade University is headed by

- **Head of the Organizational Unit**: Thomas Deichmann
- **Deputy Head of the Organizational Unit**: Jutta Galts

The management is responsible for the Organisation and the Budget of the University Computing Centre, as well as the project planning of the services provided.

As the central institution of the Jade University of Applied Sciences, the HRZ provides IT services to the departments within the framework of research and teaching. This also includes IT services in administrative areas such as student administration, financial management and the organisational management of the Jade University itself. This service is basically provided via four areas within the HRZ.
