How to Pay Out the Remaining Money from the CampusCard Wallet

If the CampusCard functions properly, it should be no problem to get your money back at the canteen cash registers. If the CampusCard is physically damaged or if it got lost, you have to fill out and hand in an application at your local computing centre.

Important! As the balance check can take up to four weeks, you can enter a different e-mail address for payment notification in the event of imminent exmatriculation.
