Apple macOS

Certificates

In order to establish a secure, encrypted WLAN/Wi-Fi connection, the digital certificates used must be confirmed by the corresponding certification authorities. Therefore, before setting up the WLAN/Wi-Fi connection, please check that the certification authorities have been set up correctly.

Configuration

Window „None of your preferred networks is available“: eduroam / Connect

- Mode: automatic
- Username: domain login (form: ma1150@hs-woe.de)
- Remember this network
